

The Best Gift You Can Give Your Daughter...

...the gift of leadership development, philanthropic involvement and cultural enrichment, the gift of National Charity League.

For more than 50 years, National Charity League, Inc. has thrived as one of the nation's most distinctive and well-respected mother-daughter membership organizations. Today, NCL has more than 160 Chapters with more than 40,000 actively engaged members – women and daughters in grades 7 through 12 throughout 17 states.

Our mission is to foster the mother-daughter relationship in a philanthropic organization committed to community service, leadership development and cultural experiences.

Our vision is bold: National Charity League, Inc. will be the premier mother-daughter organization in every state involved in valuable philanthropic and leadership activities and focused on the educational development and cultural competence of its members.

We are committed to the development of our daughters as leaders, empowering them with confidence and compassion. We are dedicated to community support, consistently improving local communities through hands-on volunteerism.

The Del Sol Chapter of NCL has members from Coronado to Carlsbad. At six years old, we are the newest chapter in San Diego. We think big and try to maximize our impact on the community. Our 200 members serve over 15 local philanthropies. We hold meetings in Carmel Valley and in member's homes.

To be eligible for membership in the Del Sol Chapter, daughters must currently be in 6th grade.

Together we can make a valuable impact on our daughters' lives and our community at large!
